

6th Form Music Activity

Music - Earth by Hans Zimmer

Hans Zimmer is a German composer who writes music for films such as 'The Lion King' and 'Pirates of the Caribbean'. 'Earth' was written to celebrate how special our planet is.

1. Explore the music

Listen to the music using the first link.

Listen

- Think about parts of the music that you like.
- How does it make you feel?
- Is the music loud or quiet?
- Is the music fast or slow?

Use the worksheet to record your answers.

2. Making sounds for an animation

Watch the animation using the second link. Think about how the animation makes you feel. What sounds/music do you think you would hear?

Make music

- Can you use your body, vocalisations or instruments to make sounds and music for the animation?
- Can you make quiet and loud sounds?
- Put your ideas together into a composition of sounds and music.

Use the third link for ideas on how to make loud and quiet sounds with your body.

3. Performance

Perform

Perform your composition along to the animation. Think about what parts of your composition you like best. What is similar/different to Hans Zimmer's composition?
